

Huna Mua Presents

RETURN to SOURCE OAHU

DECEMBER 1-9

A Special Retreat featuring
Kahuna Sandra Rose Michael
Teaching Huna Kane:
"The Inner Knowing of the Higher Self"

Grounded in ancient Hawai'ian Huna wisdom and teachings from the pyramids of Egypt, Huna Kane is a preventative, restorative, profoundly powerful, clothes-on body-mind system that assists in physical and emotional healing. The process allows one to clear emotional baggage, release physical and emotional pain while receiving personal wisdom from the experience.

Honorable Kahuna Dr. Sandra Rose Michael will share the coded knowledge with you through activation chants, blessings, live presentation of the secrets of Kahuna instant healing and the Sacred Dance of the DNA. Align with the infinite potentials of your own Highest Self as Sandra experientially explains Pono, Ho'oponopono, the sacredness of the 'Aina, 'Ohana, the fulfillment of the prophesies, the passing of the Mana and what it all means for us at this time. Feel the power and accept the Gifts of Aloha within You... as your cells vibrate with the resonance of truth.

Having taught holistic health for over three decades, Sandra is a Kahuna recognized by the ancient Hawai'ian lineages, including on the forbidden island of Ni'ihau. Sole Inventor of her patented true bio-scalar EESystem™ (see www.eesystem.com) covered globally on CNN and Discovery Channel and also awarded Qi Technology of the Year 2008, Hon. Dr. Michael has pioneered a way to elevate consciousness worldwide very rapidly. Her unparalleled work is an important piece in accelerating exponential global health and consciousness now.
